3. Use of Heurich Brewery - Memo was received from Logistics stating Heurich Brewery had been inspected per DD/S instructions to determine if space could be utilized for garage, car pool, and warehouse. Logistics inspected the property and recommends we not use it. Major portions are especially constructed for brewery use and not adaptable for our use. The separate garage building has 2,000 feet less than Rosslyn and would have to be modified. Also, there would not be space available in the area for the motor pool in addition to the garage. Forwarded to Mr. Lloyd for approval.
